12. About your policy

Please review all the wording carefully and ensure that this policy meets **your** needs.

12.1 Understanding and using your policy

This section 'About **your** policy' includes information which will help **you** to understand and use **your** policy.

Some words in these terms and conditions and the policy schedule have a special meaning. These are defined in section 1. 'Words with special meanings' will be printed in bold type.

Your insurance policy documentation is in three parts – this terms and conditions document, the policy schedule, and the Insurance Product Information Document (IPID).

This document explains what is and what is not covered, how **we** settle claims and other important information.

The policy schedule shows the **excess**, the limits to the cover and the premium.

Please keep **your** insurance policy documentation together and in a safe place.

We will send **you** a new policy schedule using **your** preferred method of contact whenever **you** or **we** make a change to the insurance and each year before renewal so **you** can check that the cover still meets **your** needs. If **you** want to change this method please let **us** know.

The Insurance Product Information Document (IPID) provides a summary of **our** product, so that **you** can make an informed decision on how to meet **your** needs.

For new sales, once **you** have received **your** insurance policy documentation **you** will have 14 days to make sure the cover is exactly what **you** need. For renewals, this will be 14 days from the date **your** new policy runs from, as listed in the policy schedule. **You** can ask **us** to make any necessary changes if required. Alternatively, **you** can request cancellation of the policy. See section 23 for details on how **you** can cancel and for cancellation charges.

If **you** have any questions, please contact OVO on 0330 102 8905 or email hi@ovoenergy.com.

12.2 Guidance on making a claim

If you need to make a claim covered under **your** policy, **you** should take any immediate action **you** think is necessary to prevent further damage or harm, such as isolating the EV charger unit at the fuse box.

Call the OVO claims helpline on 0330 102 8905. It's helpful to have **your** policy number to hand when **you** call.

To help **us** deal with **your** claim quickly, please read this terms and conditions document carefully, particularly the Claims conditions (section 25) and Policy Exclusions (section 26). **We** will not cover the costs of work carried out by contractors not authorised by **us**.

13. Claim notification

Conditions that apply to the policy and in the event of a claim are set out in this insurance policy document. It is important that **you** comply with all Policy Conditions and **you** should familiarise **yourself** with any requirements.

Directions for claim notification are included under Claims Conditions (section 25). Please be aware that events that may give rise to a claim under the insurance policy must be notified as soon as is reasonably possible.

Sometimes **we**, or someone acting on **our** behalf, may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations before making a decision as to whether the claim is covered under the policy.

14. Preferred suppliers

We take pride in the claim service **we** offer and **we** have a network of contractors and suppliers who support claims.

Wherever possible, **our** preference is to repair rather than replace. Where **we** are unable to repair or replace through a preferred supplier, **we** may offer **you** a cash settlement. This payment will not exceed the amount **we** would have paid **our** preferred supplier.

If **you** appoint someone to act on **your** behalf or if **you** ask someone else to act on **your** behalf **you** must provide **us** with authority to allow **us** to deal with them. If **you** employ a professional to represent **you**, **you** will need to meet their costs yourself.

15. The insurance contract

This contract of insurance is a legal contract between **you** and OVO Insurance Services Ltd. The terms and conditions and policy schedule make one document and must be read together.

This contract is based on the information **you** gave **us** when **you** applied for the insurance.

Our part of the contract is that **we** will provide the cover set out in this terms and conditions document and on **your** policy schedule for the period set out on the policy schedule.

Your part of the contract is that **you** must pay the premium shown on **your** policy schedule for each insurance period.

You must comply with all the conditions set out in section 22.

If **you** have purchased an OVO Charge Anytime Monthly Plan which includes EV Charger Cover, the OVO Charge Anytime Monthly Plan must remain active.

Please take the opportunity to read these terms and conditions in full.

16. Law and jurisdiction

Under the laws of the United Kingdom (England, Scotland and Wales) both **you** and **we** may choose the law which applies to this contract, to the extent permitted by those laws. Unless **you** and **we** agree otherwise, **we** have agreed with **you** that the law which applies to this contract is the law which applies to the part of the United Kingdom in which **your** home is situated.

We and **you** have agreed that any legal proceedings between **you** and **us** in connection with this contract will only take place in the courts of the part of the United Kingdom in which **your** home is situated.

OVO Home Services Ltd and OVO Insurance Services Ltd are part of OVO Group Ltd.

18. Legal

We may assign or transfer all, or any part, of **our** rights and/or obligations under this contract without **your** consent. **You** cannot transfer **your** interest in this contract to anyone else without **our** consent in writing.

We may terminate or vary the terms and conditions of this contract at any time.

If **we** do vary by making changes to the terms and conditions, which are to **your** material disadvantage, **we** will give **you** at least 30 days' notice in advance. If **you** don't want to continue on these new terms and conditions, **you** can cancel **your** contract by notifying **us** in accordance with these terms and conditions. **You** will not have to pay a cancellation charge and **you** will receive a pro-rata refund for any payments **you** have made in advance. If **you** don't tell **us** **you** want to cancel, the new terms and conditions will apply from the date stated.

If **we** terminate this contract for a reason other than where **we** have identified serious grounds including but not limited to those listed in section 23.2, **we** will give **you** at least 30 days' notice in advance and will fulfil any outstanding claims. **You** will not have to pay a cancellation charge and **you** will receive a pro-rata refund for any payments **you** have made in advance.

Any notices will be in writing and sent by post to **your** billing address or emailed to **your** email address. **We** will assume **you** have received the notice, if sent by post, 2 business days after **we** have sent it or if sent by email, on transmission, unless **we** receive evidence to the contrary. (Weekends and public holidays are not considered as business days).

Please send any notices to: PO BOX 81429, London, N17 1LD or email: customerservices@ovoenergy.com

Any delay on **your** or **our** part in enforcing any term of this contract will not prevent **us** from enforcing that term later.

19. Third-party claims

On receipt of any demand for damage or injury compensation, complaint or legal proceedings against **us** or **our** electricians, **you** must send **us** the correspondence straight away without being answered. **We** have the right, if **we** choose, in **your** name but at **our** expense to:

- Take over the defence or settlement of any claim
- Start legal action to get compensation from anyone else
- Start legal action to get back from anyone else any payments that have already been made

You must provide **us** with any information and assistance **we** may require about any claim. **You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

22. Policy conditions

These are the conditions of the insurance **you** will need to meet as **your** part of this contract. If **you** do not, a claim may be rejected or a claim payment could be reduced. In some circumstances, **your** policy might be invalidated.

22.1 Ownership

You must be the owner of the EV charger unit, charging cable and any associated wiring and electrical connections up to but not including the consumer unit.

22.2 Taking care

You must take all reasonable steps to prevent damage and keep anything covered by this policy in good condition and in good repair.

If **our** electrician recommends any remedial or maintenance works during a visit the repairs must be carried out within 28 days of notification or further claims may be rejected.

22.3 Changes in your circumstances

You must tell **us**:

- If **you** no longer require cover at the address shown on **your** policy schedule; or
- If **you** have changed **your** EV charger unit

We may reassess **your** cover, terms and premiums when **we** are told about changes in **your** circumstances. If **you** do not tell **us** about changes or give **us** incorrect information, the wrong terms may be quoted, a claim might be rejected or a claim payment could be reduced. In certain circumstances **your** policy might be invalidated, and **you** may not be entitled to a refund of premium.

22.4 Fraud

If dishonesty or exaggeration is used by **you**, or anyone acting on **your** behalf to obtain:

- A claims payment under **your** policy; or
- Cover for which **you** do not qualify; or
- Cover at a reduced premium

All benefits under this policy will be lost, the policy may be invalidated, **you** may not be entitled to a refund of premium and legal action may be taken against **you**.

23. Cancellation

23.1. Cancelling the policy

If **you** wish to cancel **your** policy please contact OVO:

By telephone: 0330 102 8905

By email: hi@ovoenergy.com

By post: OVO, PO BOX 81429, London, N17 1LD

If **you** cancel an OVO Charge Anytime Monthly Plan which includes this EV Charger Cover policy, **your** EV Charger Cover will end on the same date as the OVO Charge Anytime Monthly Plan.

See sections 23.3 and 23.4 for cancellation charges.

23.2 Cancellation rights

You may cancel the policy at any time.

We may cancel the policy where **we** have identified serious grounds, including but not limited to:

- Failure to provide **us** with information **we** have requested
- Failure to make payment for **your** policy
- Where there are Changes in **your** circumstances (section 22.3)
- Fraud or suspected fraud (section 22.4)
- The use or threat of violence or aggressive behaviour against **our** staff, contractors, or property
- The use of foul or abusive language
- Nuisance or disruptive behaviour

Where possible **we** will seek an opportunity to resolve the matter with **you**. Where a solution cannot be agreed between **us**, **we** may cancel the policy by contacting **you** at **your** last known address and giving **you** 14 days' notice. This will not affect **your** right to make a claim for any event that happened before the cancellation date.

If **we** or **you** cancel the policy, **you** may need to pay cancellation charges.

Cancellation of this policy won't cancel an OVO Charge Anytime Monthly Plan.

23.3 Cancellation charges if you've not made a claim

If **your** policy is cancelled during the 'cooling-off period', (the first 14 days from the date **you** receive **your** policy documents, or 14 days from **your** renewal date), there will be no charge. Unless financial sanctions are in place, any premium **you** have paid for the **policy period** will be refunded.

If **your** policy is cancelled after **your** cooling-off period, **you** will be charged for the number of days **you** have been on contract for, plus an administration charge of £30.

You will never be charged more than the remaining premium to be paid for the contract.

23.4 Cancellation charges if you've made a claim

If **you** have made claims on the policy **you** will be charged the remaining policy premium.

You will never be charged more than the remaining premium to be paid for the contract.

23.5 Financial sanctions

We will not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment, or other benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws, or regulations of the European Union, United Kingdom, United States, or other country of policy issue.

If any such resolution, sanction, law or regulation takes effect during the insurance period **we** may cancel this policy immediately by giving **you** written notice at **your** last known address. If **we** have identified that financial sanctions are in place **we** will cancel the contract and **you** will not be entitled to a refund. See the Cancellation terms in sections 23.3 and 23.4 for charges.

24. Policy period and payment

Your policy period is 12 months and **your** legal contract with OVO Insurance Services Ltd is for this period.

Full details of payment, policy duration and renewal date can be found in **your** welcome or renewal letter / email and **your** policy schedule.

We reserve the right not to renew **your** contract. If **we** do this then **we** will let **you** know at least 14 days before **your** policy is due to end.

If **you** pay by Direct Debit, cancelling **your** Direct Debit through **your** bank doesn't cancel **your** contract with **us**. If **you** stop **your** Direct Debit without telling **us**, **we** will contact **you** to arrange for collection of the money **you** owe. **You** will be unable to make a claim until all missed payments are collected, and **you** will continue to accrue debt on **your** policy. If **you** default on a payment, **we** reserve the right to cancel **your** policy and **you** will no longer be insured. See the Cancellation terms above in sections 23.3 and 23.4 for charges.

25. Claims conditions

If **you** do not follow these claims conditions a claim may be rejected or payment could be reduced. In some circumstances, **your** policy might be invalidated.

25.1. What you must do

For all claims, **you** must tell **us** as soon as **you** can.

Where an **excess** applies, **you** will need to arrange payment of the **excess** before **we** deploy an electrician. In the event a claim is declined, **we** will not refund the **excess** payment.

If **you** do not own the property that the EV charger unit is attached to, it is **your** responsibility to ensure **you** have permission from the owner of the property for work to be undertaken as part of any claim.

Do not throw away any damaged items or carry out any repairs before **we** have had a chance to carry out an inspection.

To help **us** deal with **your** claim quickly, **we** may require additional information such as confirmation of age, manufacturer and model of the EV charger unit and charging cable.

For theft or vandalism claims, **you** must provide **us** with a crime reference number.

Please note that the attending electrician is not authorised by OVO or **us** to discuss **your** claim or **your** policy. All questions in relation to **your** claim or policy coverage should only be directed to OVO. If **you** request any other services from the attending electrician then **we** will not cover the costs or be responsible in any way for these services.
