

Feed-in Tariff Switching Form

So you're interested in switching your existing
Feed-in Tariff to OVO?

Great. We can't wait to have you on board.

Now we need some information to get the ball rolling.

What you'll need to send us:

Please use this checklist before posting or emailing your application.

- This form (one for each installation), signed and dated in the right places
- Proof of ID (photographic, a copy of your passport or driving licence)
- Proof of address (e.g. utility bill, bank statement or council tax bill dated in the last 3 months). You don't need this if your home is already supplied by OVO
- Proof that you own the installation (a copy of installer's invoice, sale agreement or confirmation letter from the previous owner with your name included)
- An up-to-date meter reading from your generation meter

Got a question?

Just email fits@ovoenergy.com or call **0330 102 7404**. We're available 9am-5pm, Monday to Friday.

What happens next?

Please send your completed application form and supporting documents to fits@ovoenergy.com, or post it to us at:

Feed-in Tariff Team

OVO Energy
1 Rivergate
Temple Quay
Bristol
BS1 6ED

We'll review your application, and contact your current Feed-in Tariff licensee to arrange a switch date. If we need any extra info, we'll be in touch.

If your licensee agrees to the switch, we'll ask you for a reading on the day of your switch. We'll then send you a Statement of Terms Agreement, which you'll need to sign and return.

Your Feed-in Tariff rates won't change, and we'll send reminders each quarter asking for a reading before we pay you.

The whole switch should take just 4 weeks, subject to your current licensee approving the switch request.
